

Casa de Cristo Theological Seminary

Statement of Prior Experience

The mission of Casa de Cristo Theological Seminary is to train individuals for future Christian service and to educate and prepare ministers of the Gospel for more faithful service. In this endeavor we partner with the local church. Each applicant desiring credit for prior ministerial experience or lay training is required to submit a Prior Experience Form documenting that experience. We take your prior work for the kingdom most seriously. Your request will be reviewed carefully and credit granted as approved by the academic review committee.

To witnesses affirming prior experience:

We request that as witnesses to the applicants experience you sign this document prayerfully. We take your endorsement most seriously. Your endorsement is a testament on your part as to the perceived fitness of the applicant for ministerial leadership.

If the church is unwilling to offer their unhesitating affirmation of the applicant's experience, please enclose a letter on official church letterhead stating the rationale for the church's decision.
